

Accessing Your Agenda, Session Materials, and Room Locations on the CADRE Website

October 26-28, 2022

Prior to the day of the event, log into your conference account. Stay logged in for the duration of each day of the event. If you experience any issues with logging into your account, please contact Kelly (krauscher@directionservice.org) or Noella (nbernal@directionservice.org).

The image shows the login page. At the top is the heading "Log in". Below it is a note: "Please note: If you have previously registered for a CADRE conference, you are still required to create a new account." There are two buttons: "Log in" and "Reset your password". An orange arrow points to the "Log in" button. Below the buttons are two input fields: "E-mail" and "Password", each with a red asterisk and a placeholder text. At the bottom is a "Log in →" button.
