

# IEP AT A GLANCE

As stated at the beginning of the My IEP lessons, this school year is about empowering students' self-advocacy and independence as you transition to the adult world beyond high school. Beginning with this 2024/2025 school year students who have IEPs are going to take a more central role in sharing their needs with their teachers.

## Choose up to **TWO** templates or create your own:

1. Fill the slides with the information from your IEP at a Glance document. Here is what you must share:
  - Name and grade
  - Case Manager's name
  - Tutorial teacher's name and period
    - Monitor students should put "Monitor"
  - Date your annual IEP is due
    - Include the Triennial date if you are due for one this year
  - Primary disability and a description of your needs in your own words
    - Secondary if you have one along with your needs
  - Accommodations (keep close wording but you may adjust into your "voice")
  - IEP goals (keep close wording but you may adjust into your "voice")
1. Include at least one photo of yourself.
2. Turn your slide(s) in via Google Classroom

### Optional:

- Interests
- Your academic challenges
- Preferred modes of communication
